

Please use this form only if you currently have a permit for a commercial operation to interact with marine mammals. If you do not have a permit, please visit the DOC website to find out how to apply for one.

The Department recommends that you contact the Department of Conservation permissions office listed below to discuss the application prior to completing this application form.

Use this application form to apply for:

- any new staff member – pilot, master, skipper, guide or other staff member – who will have contact with marine mammals as part of your commercial operation; or
- any new vessel, vehicle or aircraft which will be used to undertake the activity on your permit.

Please complete this application form and email it to permissions@doc.govt.nz.

A. Permit Holder name (as listed on your permit)

Rakiura Charters Limited

B. Permit number: (you will find this on the front page of your permit)

39837-MAR

C. Sea-based permit (if your permit is for shore-based viewing please go to section D, if it is for viewing from aircraft please go to section E)

Change to list of vessels

D. Declaration

I certify that the information provided on this application form is true and correct.

Note: The Director-General may vary any permit that has been granted if the information given in this application contains inaccuracies.

Signature (Applicant)		Date	15/7/2021
Signature (Witness)		Date	15/7/21
Witness Name			
Witness Address			

For Department use only:

The Director-General may, at the request of the commercial operator, and if he or she is satisfied that the criteria specified in [regulation 6](#) have been substantially complied with, amend a permit to allow a change of aircraft, vehicle or vessel or a change of pilot, master, skipper, guide or relevant staff member, as the case may be.

It is recommended that you approve the amendment, as above, if you consider that the information supplied is acceptable to you.
