Hi [REDACTED]

Subject: PTL application - Clarification over term to 10 years

Hi [REDACTED]

There has been some confusion over the term PTL have requested as part of this application (whether 10 years or up to 30 years with reviews). The Department is treating the application as a lease/licence as a request for a total term of 10 years with an opportunity for a review at year 3.

Can you please reply by email and confirm that PTL are not asking for the Minister to consider granting extensions or renewals which would result in an overall term of more than 10 years.

To avoid confusion and ensure clarity, are you also able to amend the aircraft and filming applications to align with this term and state 10 years (not 30 years).

As notification begins tomorrow (and today being by last day before annual leave), can you please respond today if possible.

Kind regards

Lynette
