

The Department recommends that you contact the Department of Conservation Office closest to where the activity is proposed to discuss the application prior to completing the application forms. Please provide all information requested in as much detail as possible. Applicants will be advised if further information is required before this application can be processed by the Department.

This form, which provides specific information about your proposed grazing activity, is to be completed in conjunction with the Applicant Information Form 1a. If you wish to build any structure on public conservation land as part of your grazing activity please also fill in Application Form 3b.

Please complete this application form, attach Form 1a, and any other applicable forms and information and send to permissions@doc.govt.nz. The Department will process the application and issue a concession if it is satisfied that the application meets all the requirements for granting a concession under the Conservation Act 1987.

If you require extra space for answering please attach and label according to the relevant section.

A. Description of Activity

Type	✓	Max. number of stock to be grazed at any one time	Max. number of weeks to be grazed per year
Dairy Cows			
Dairy Calves, Yearlings, and Heifers			
Beef Breeding Cows			
Beef Calves, Yearlings and Heifers			
Bulls			
Deer			
Sheep			
Other (please describe in detail)			

Grazing management please describe in detail:

- stock grazing system eg rotation, or land to be grazed on a year-round basis
- whether fertiliser is proposed to be used, and methods of application, how often etc;
- whether the land is/will be fenced - if not, how stock will be contained;
- use of supplementary feeding;
- source of stock water;
- any cultivation proposed (eg winterfeed);
- proposed pest and weed control (if any);

- any access across other parts of conservation land required; and
- any other details of grazing management

If you require extra space for answering please attach and label Form 2A:A.

B. Area(s)

List the areas of your proposed grazing including any access necessary and attach a map to show the site(s). Identify the status of the area(s) (ie National Park, Conservation Park, stewardship area, recreation reserve etc) and the size/dimensions of the area proposed for grazing. Please use NZTM GPS co-ordinates where possible.

Name and Status of Conservation Area	Area
<i>Eg: Tararua Forest Park</i>	<i>500 m x 30 m</i>

C. Bulk fuel storage

Under the Hazardous Substances and New Organisms Act 1996 (HSNO Act) 'Bulk fuel storage' is considered to be any single container, stationary or mobile, used or unused, that has a capacity in excess of 250 litres of Class 3 fuel types. This includes petrol, diesel, aviation gasoline, kerosene and Jet A1. For more information on Hazardous Substances, go to:

<http://www.business.govt.nz/worksafe/information-guidance/legal-framework/hsno-act-1996>

Do you intend to store fuel in bulk on the land as part of the activity?

YES / NO

If you have answered yes, then please provide full details of how and where you intend to store the fuel, and label any attachments including plans, maps and/or photographs as Attachment 2a:C. If your concession application is approved you will be required to provide a copy of your HSNO compliance certification to the Department before you begin the activity.

E. Term

Please detail the length of the term sought (i.e. number of years or months) and why.

Note: An application for a concession for a period over 10 years must be publicly notified, an application for a concession up to 10 years will not be publicly notified unless the adverse effects of the activity are such that it is required, or if an exclusive interest in the land is required.

F. Other

Is there any further information you wish to supply in support of your application? Please attach if necessary and label Form 2A:F.
