National / Regional Database for NZ Great Short and Day Walks

Instructions

1. The Red, Green and Blue coloured cells show the task assignment name and DOCCM number, and the questions for that Task Assignment
2. In your region, against the relevant track answer each question from the task assignment.
3. When the Spreadsheet is complete, please forward onto cbowen@doc.govt.nz by the 13 July 2013
4. When more than 3 lines are required for a specific track, (ie more than 3 local Iwi or Stakeholder engagement occurs), please insert extra lines.

Any questions please contact Chris Bowen.
