Tēnā koe [REDACTED]

Thank you for your Official Information Act request to the Department of Conservation, received on 19 April 2023 about fire vehicles.

Your questions and our responses are listed below:

1. **Question 1.** *A spreadsheet containing all of your fire vehicles and trailers with the plate and base it is stationed. For example:
DQR 380 - Waimakariri
CZL 643 - Rangiora*

Response. The Department of Conservation has only one dedicated fire vehicle, DTF144 which is a Toyota 4x4 utility based at Twizel. This vehicle is currently under disposal action.

2. **Question 2.** *I would also like you to supply a list of all internal communications and discussions, information, inquiries etc about any plans to acquire more/new fire vehicles.*

Response. The Department of Conservation has no intention to obtain any further vehicles related to fire use. As such there is no communication about acquiring more fire vehicles.

Please note that this letter (with your personal details removed) and enclosed documents may be published on the Department's website.

Nāku noa, nā
