Released under the Official Information Act

THURSDAY

Plan for the day: Team NZL boat trials post retrofit (safety requirement ahead of race week end)
Team ESP practice sailing
12:00 NZL instructed to stay off the foils due to the presence of dolphins in multiple zones
NZL on and off foils depending on zones and presence of dolphins
13:00 NZL trials incomplete and NZL instructed to return to moorings as time is up
13:00 ESP training starts
ESP training mostly on foils, with active monitoring of dolphins and adjustments to the training plan based on the location of dolphins
17:00 ESP training finishes

FRIDAY

Plan for the day: All F50 Fleet practice racing / broadcast dress rehearsal
All day No sailing due to wind being too strong

SATURDAY

Plan for the day: Warm up from 13:30 onwards
Racing from 15:00 onwards
13:30 Decision to keep F50's at the moorings and then off foils, as dolphins have been observed on the race course
15:00 Decision to delay Race 1 as dolphins are on the race course
15:20 ?? Dolphins have left race course and racing can start
F50's start Race 1 with only 10 minutes of warm up (we have never done less than 1 hour of warm up before racing)
Race 1, 2 and 3 completed

SUNDAY

Plan for the day: Warm up from 14:00 onwards
Racing from 15:00 onwards
14:00 Decision to keep F50's at the moorings and then off foils, as dolphins have been observed on the race course
15:00 Decision to start foiling warm-up, as dolphins have left 10 minutes before
15:00 Racing starts on time
