

Application for Land Based Guiding Activities

Is this the right application form for me?

Use this application form for commercial land based guiding activities on public conservation land e.g.

- Walking, hiking and tramping (day, night and overnight)
- Climbing
- Biking (manual and e-bike)
- Hunting
- Fishing
- Horse riding
- Vehicle activities (motorbikes, 4x4, quad bike and snow mobile)
- Other land based guiding activities.

Use this form for all new applications and variations to existing guiding concessions.

Is your activity on a conforming track?

There are a number of tracks, called [conforming tracks](#)¹, that are already approved and available for guided walking if certain conditions are followed. For guided activities on conforming tracks, use the Department of Conservation (DOC) [conforming track application form](#)².

How do I complete this application form?

- Complete all sections of this form
- DOC encourages electronic applications (e.g. typed Word document), rather than handwritten applications. Electronic applications are easier to read and less likely to be returned to you for clarification
- If you need extra space, attach or include extra documents and label them according to the relevant section. Record all attachments in the table at the back of the application form (section L).

Personal information will be managed by DOC confidentially. For further information check [DOC's privacy and security statements](#)³.

² <https://www.doc.govt.nz/guided-walking-conforming>

³ <https://www.doc.govt.nz/footer-links/privacy-and-security/>

If I need some help, where do I get more information?

- Check the DOC's '[Land-based guided activities](#)⁴ webpage
- Arrange a pre-application meeting (either face to face or over the phone) by contacting the [Department of Conservation Office](#)⁵ closest to where the activity is proposed. You can use [DOC maps](#)⁶ to identify which District Office you should contact. Or arrange a meeting with any of our [four offices that process concessions](#)⁷ – choose the one closest to where the activity is proposed.
- If your application covers multiple districts, contact the office nearest most of the locations you are applying for, or nearest to locations you have a specific question about.

Have you considered DOC's statutory planning documents?

Your concession must not be inconsistent with [DOC's relevant statutory planning documents](#)⁸ as they set out how DOC and our Treaty partners manage public conservation land. Statutory planning documents can have a direct impact on your application, for example they may set the specific track limitations and maximum group size allowed.

Book a pre-application meeting with DOC staff if you require assistance with navigating DOC's statutory planning documents.

How do I submit my application?

Email your completed application and any other attachments to: permissions@doc.govt.nz

What happens next?

Once it is received, your application will be assessed by DOC. If your application is complete, DOC will begin processing.

If your application is incomplete it will be returned to you for more information.

Why does DOC ask for this information?

The questions in this application form are designed to cover the requirements set out in DOC's conservation legislation. Your answers allow us to assess:

- The effects of your activity and your proposed methods to avoid, remedy or mitigate any adverse effects of the activity.
- Your qualifications, resources, skills and experience to adequately conduct the activity on public conservation land.
- Your creditworthiness is a factor in determining whether DOC should extend credit to you and set up a DOC customer accounts receivable credit account for cost recovery. To make this assessment DOC will supply your information to a credit checking agency.

Note: Information collected by DOC will be supplied to a debt collection agency in the event of non-payment of payable fees.

Treaty Partner consultation

DOC has a statutory responsibility to give effect to the principles of the Treaty of Waitangi. One component of this may be DOC consulting with Treaty Partners about your application. This consultation will feed into DOC's decision-making process. More information can be found on the DOC website on our [iwi/hapū/whānau consultation](#)⁹ page.

Contact your local [DOC office](#)¹⁰ if you require further information about consultation.

What fees will I pay?

You may be required to pay a **processing fee** for this application regardless of whether your application is granted or not. You may request an estimate of the processing fees for your application. If you request an estimate, DOC may require you to pay the reasonable costs of the estimate prior to it being prepared. DOC will not process your application until the estimate has been provided to you. In addition, if you are granted a guiding concession on public conservation land you may be required to pay annual **activity and management fees**. These fees are listed on the [Land-based guided activities](#)¹¹ page on the DOC website.

DOC will invoice your processing fees after your application has been considered. If your application is large or complex, DOC may undertake billing at intervals periodically during processing until a decision is made. If you withdraw your application DOC will invoice you for the costs incurred up to the point of your withdrawal.

Your application will set up a credit account with DOC. See the checklist at the end of the form for the terms and conditions you need to accept for a DOC credit account.

Will my application be publicly notified?

Your application will be publicly notified if:

- It is a license with a term of more than 10 years
- It is a lease
- After having regard to the effects of the activity, DOC considers it appropriate to do so

Public notification will increase the time and cost of processing of your application.

What does DOC require if my application is approved?

If your application is approved DOC requires:

- **Insurance** to indemnify the Minister against any claims or liabilities arising from your actions. The level of insurance cover will depend on the activity.
- A copy of your **safety plan** audited by an external expert (e.g. Health and Safety in Employment (Adventure Activity) Regulations 2011 audit or a DOC listed organisation). See the [Safety Plan](#)¹² information on the DOC website for further information.

Note: DOC/Minister can vary the concession if the information on which the concession was granted contained material inaccuracies. DOC may also recover any costs incurred.
